Chicago, IL 60678-3968

*To reduce administrative costs and maximize the benefit of your  
generous donation, your gift will be processed at a centralized location.  
Please be assured that your gift will be credited to your local area.*

The American Stroke Association was created as a division of the American Heart Association in 1999. It was formed to place more emphasis on stroke, America's No. 3 killer and a leading cause of disability.

The American Stroke Association is dedicated to reducing disability and death from stroke by 25 percent by 2010.

If you would like to receive information about the American Stroke Association or its programs, please call

**1-888-4-Stroke (1-888-478-7653)**

or online at [strokeassociation.org](http://strokeassociation.org)

Here is some of the information available:

- Are you at risk for a stroke
- Signs of a stroke
- High blood pressure
- Volunteer opportunities
- Ways to support the American Stroke Association through a will, stocks, insurance, etc.
- Stroke support groups

The American Heart Association was founded in 1924 to exchange information about — and defeat — America's No. 1 killer, heart disease.

Since 1949, the American Heart Association has funded nearly \$2 billion in research, contributing to such advances as CPR, bypass surgery, artificial heart valves and other treatments and medications.

If you would like to receive information about the American Heart Association or its programs, please call

**1-800-AHA-USA1 (1-800-242-8721)**

or online at [americanheart.org](http://americanheart.org)

Here is some of the information available:

- CPR & Emergency Cardiovascular Care
- How to stop smoking
- High blood pressure
- Nutrition/Cholesterol
- Exercise/Weight control
- Volunteer opportunities
- Ways to support the American Heart Association through a will, stocks, insurance, etc.
